

HALACHA as sib of Pike + Taukatea from Venus + Kalo's book. Thus Polynesian Halachia not possibly sub.

Also Samuel's fam. bk. confirms this; Polynesian in sib set of U, but not of Halachia

DATA: line -4 Taukatea Oct 25, Dec 5 74  
Petaia Dec 3  
Samu Aug 74

To Lo BLACK INK - Data from Van's book  
Copied ca. 1957 from Kalo's book, loaned by Kalo to Samu from Poutoa (-1)  
Dec 12, 1974

NOTE - name Pike. Tuihai says its the boundary prog. of this group. The Pike on 24/-3 is an unknown quantity, not related & not a known name trade.

20. Poutoa + Tevehi

NB - of Samuel's fam. notebook, p. 11 which links Polynesian in sibling set w/ SB others, inc. Leola + Vaelei of sheet 3.

Note - these 2 are the "PULUNGA" no HALACHA! -4 of the exclamation "You talk too much!" Tuihai org gave them as sisters or cousins. But info in Kalo's book, obtained from Poutoa (line -1 far left) lists HALACHA as sister of Pike & Taukatea so, accept word of the book.
