⊗ FAKAFOLAU of MATAKII:
(from Heiba)

KAFIKA was Matakii's older Teutina. KAFIKA aged 1 rheumatic - bachel & bachel of all the men his killed, with words to effect:
 "ka me tunga sinnae] au lima mo opu me, Koa tai firo lima au lima ni faa"
 KAFIKA was killed by Nannua. When Matakii grew up he tried to avenge his brother's death & in turn was fakafolaued - (person unnamed) - never to return - was quite a young man.

NOTE: ON PAHII I wives (above):
 TAVI²ong gave pahii & Peta as parent of Lata, then Peta. But when Heiba gave Heiko as mo of above 2 Tav² said poss so - i.e. same father but diff mo. So of sheet 2/3 - POTO mother = Peta (Langatli backs this, up too). Soo = 1/2 silbs.
