TE KAU O TELANGAI

+ others.

See below for Telangai conflicting version Ethnologue from Tauliala 3

NOTE - TEUHU, famed strong man, was 3 wives. Cf sheet 4 for the other 2. Acc to Seselo, who learned from Mawale, Teuhu favored his wife by LAUTO, says Seselo. Both Seselo & Telangai give Halve as fa & Teuhu - this contrasts with Ane's version on 11, who gives TEUHEI as his fa. (11-7) Possibly same person?

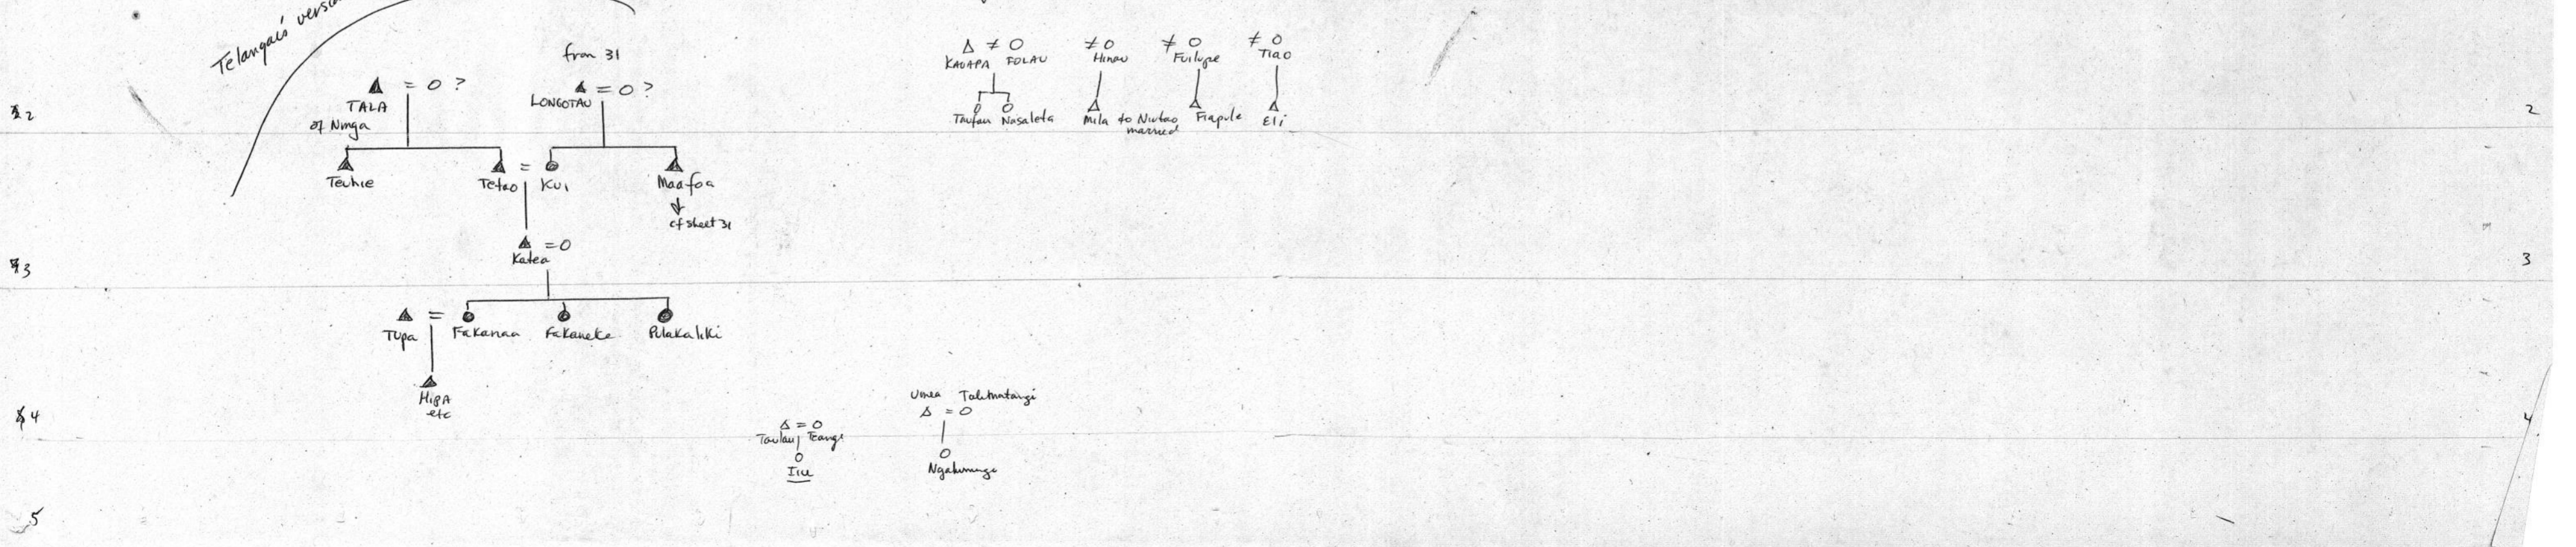

TO LAPI, who killed TUULAPPOUPOU - Links are unknown. Proof is the Kraumale in this line.

\* NOTE: on KALHI & TEAKAKA

cf 21-4 for Taotao's sibs. Kalhi must be a cousin of Taotao. cf Telangai's tale of the faka-filaw-ing of Kalhi by Mawalego. Teakaka was Kalhi's suatina (cf hypothetical relationship above) & went to help Kalhi, but was restrained. Kalhi was filawed, Teakaka lived.
